

Jesus Knocking on the Door

Words and Music by Alfred J. Theriot III

VERSE 1:

Is that You Lord, knocking on my door?
If it's You Lord, knock a little more.
I am scared Lord, of Your Lambent Light.
I am scared Lord, of the lightless night.

REFRAIN:

Love me Jesus. Heal me Jesus. Comfort my poor soul my Jesus.
Is that You there knocking on my door?
Please keep knocking hard upon my door.
Love me Jesus. Please knock down my door.

Hold me Jesus. Help me Jesus. Wrap your Heart around me Jesus.
Pour Your Love into my empty soul.
Break my mind, my will, my self-control.
Love me Jesus. Please knock down my door.

VERSE 2:

Specks of sadness steep inside my soul.
As I gaze back on a life of self-control.
Walking boldly, fueled by my self-will.
Now I'm lonely, stumbling down the hill.

VERSE 3:

Help me Jesus, teach me how to pray.
Guide me Jesus, show Your Divine way.
My heart is closed Lord, scarred by hurt and sin.
Forgive me Lord. Won't You come on in.

FINALE:

Love me Jesus.

JUST BREAK DOWN THAT DOOR!
