

Paint **PURE**

by Alfred J. Theriot III

Paint **PURE!** We have all received the gift of Life with the privilege of co-creation with our Heavenly Father. He has blessed us with His saving Grace and our unlimited supply of rainbow colors.

Sin is the black paint that taints our ability to render Beauty upon our inherited Universe. Our life is a constant struggle against the dark forces that plot to darken our paintings and destroy our motivation, our Life, our eternal Soul. Our personal sins aid the destroyer by spoiling our palette of paint with the greying effects of black.

Seek Purity, seek the Light, seek the White that contains all the Power, Perfection, and Love of God. His supply is limitless, His paint is Pure, and His White is the Right that covers all the Wrong.

Paint plenty, Paint often.....,

Paint PURE!
